

## **3-month Communications Internship Program**

The International Nuremberg Principles Academy (Nuremberg Academy) is a non-profit foundation dedicated to the promotion of international criminal law and human rights. It was established by the Federal Republic of Germany, the Free State of Bavaria, and the City of Nuremberg in 2014.

The Nuremberg Academy is located in Nuremberg, the birthplace of modern international criminal law. Conscious of this historic heritage, the Nuremberg Academy supports the fight against impunity for universally recognized core international crimes: genocide, crimes against humanity, war crimes, and the crime of aggression. Its main fields of activity include providing a forum for dialogue by convening conferences and expert meetings, conducting interdisciplinary and applied research, engaging in specialized capacity building for practitioners of international criminal law, and human rights education. Dedicated to supporting the worldwide application of international criminal law, the Nuremberg Academy promotes the Nuremberg Principles and the rule of law with a vision of sustainable peace through justice, furthering knowledge, and building capacities of those involved in the judicial process in relation to these crimes.
